

SENNHEISER HD 25 Plus

Šifra: 2655

Kategorija proizvoda: DJ slušalice

Proizvođač: Sennheiser

Cena: **219,00** EUR

The closed-back HD 25s are purpose-designed, professional monitoring headphones offering high attenuation of background noise. Capable of handling very high sound pressure levels and of extremely robust construction, these headphones perform exceptionally well in high-noise environments, e.g. ENG, sound reinforcement, studio monitoring and audio equipment testing. The capsule is rotatable for one-ear listening. Ideal monitoring headphones for cameramen and DJs.

Features

Very lightweight and comfortable, even if used for long periods

High maximum sound pressure level

65 .nominal impedance for universal compatibility

Tough, detachable steel cable

Neodymium ferrous magnet systems and lightweight aluminium/copper voice

Technical Data

Image not found or type unknown	Nominal impedance	70 Ohm	Image not found or type unknown
Image not found or type unknown	Load rating	0.2 W	Image not found or type unknown
Image not found or type unknown	Contact pressure	ca. 2.5 N	Image not found or type unknown
Image not found or type unknown	Weight w/o cable	ca. 140 g	Image not found or type unknown
Image not found or type unknown	Jack plug	3,5/6,3 mm stereo	Image not found or type unknown
Image not found or type unknown	Transducer principle	dynamic, closed	Image not found or type unknown
Image not found or type unknown	Ear coupling	supraaural	Image not found or type unknown
Image not found or type unknown	Cable length	1,5 m	Image not found or type unknown
Image not found or type unknown	Sound pressure level (SPL)	120 dB(SPL)	Image not found or type unknown
Image not found or type unknown	THD, total harmonic distortion	< 0,3 %	Image not found or type unknown
Image not found or type unknown	Frequency response (headphones)	16.....22000 Hz	Image not found or type unknown

Rugged closed dynamic headphone. Max. SPL 120 dB, frequency response 30 Hz to 16 kHz, THD < 0.4 %, nominal impedance 65 ., load rating 0.2 W. 3 m steel cable with 3.5 mm stereo jack plug and adaptor to 1 /4 "
