Šifra: 15691
Kategorija prozivoda: DJ kontroleri
Proizvođač: Reloop

Cena: 219,00 EUR

Space-saving wit y, the Reloop Buddy offers DJs of any level all the tools they need to perform creatively and effectively.

FULLY

FEATURE-PACKED

Whether you’re a complete beginner or an experienced DJ, the Reloop Buddy offers you full control over your mixes thanks to powerful features including the intuitive pad section consisting of 8 performance modes (hot cue, auto loop, touch FX, sampler, slicer, bounce loop, Neural Mix™, looper), dedicated loop controls, a flexible effect section with FX paddles (hold & toggle), and responsive jog wheels for precise mixing and scratching.

Reloop Buddy

NEURAL MIX™

Also, the Reloop Buddy includes extensive Neural Mix™ controls for pad as well as EQ mode. By using a simple switch on the controller, users can instantly turn the EQ knobs into dedicated Neural Mix™ controls, allowing to isolate drums, instruments, and vocals in real-time, thus fully exploiting Algoriddim’s AI-powered technology.

FX PADDLES

The Reloop Buddy offers you large FX Paddles with HOLD and ON positions for instant effect mixing.

PLUG AND PLAY

Thanks to its dedicated integration with Algoriddim’s djay software, and built-in USB audio interface, the Reloop Buddy enables instant plug and play compatibility with smartphones, tablets, and computers.

MIX MILLIONS OF TRACKS INSTANTLY

Not only can tracks be loaded to djay from your crates and libraries, but it’s also even possible to mix millions of tracks instantly from popular streaming services such Tidal*, Soundcloud Go+*, Beatport LINK* and Beatsource LINK*.

djay Pro AI, Tidal, Soundcloud, Beatsource, Beatport

VERSATILE CONNECTIVITY

A full headphone cue section and 3,5mm jack are conveniently located at the side of the unit, together with a master RCA output for direct connection to active speakers and sound systems.

STURDY COMPANION

The Reloop Buddy is built from quality, durable materials, and its space-saving, highly-portable design makes it perfect for your home setup, mobile use, and even on-the-go or while traveling. Furthermore, its built-in device slot can hold smartphones and tablets up to 12.9”, which keeps the overall footprint of the unit to a minimum.

YOUR POWERFUL

MIXING COMPANION.
