

SVS Prime Pinnacle Black Ash (komad)- podnostojeći HiFi zvučnik

Šifra: 13604
Kategorija proizvoda: Hi Fi Zvučnici
Proizvođač: SVS

Cena: 1.049,00 EUR

suited to meet the demands of both discerning audiophiles and hardcore home theatre fans. To go even further, Prime Pinnacle's cabinet design was made to blend seamlessly and sound amazing in any listening environment. World-class performance in both a two-channel HiFi stereo or an immersive home theatre surround sound system, Prime Pinnacle is unrivaled in its class and well-beyond.

Performance Woofers

Effortless low frequency output and impressive deep bass extension from three 6.5" woofers lays the sonic foundation for all audio content. Engineered to convey the full thrill and excitement of cinematic blockbusters yet refined enough to handle the pluck of a bass guitar string and subtlest musical details with convincing realism, Prime Pinnacle delivers an amazing full-range listening experience with all audio content. By using three smaller woofers, each with its own 2-inch port, the new floorstanding speaker effortlessly conveys low frequency output while maintaining a slim profile that fits in any system.

SoundMatch Crossover

SVS Prime Pinnacle Black Ash (komad)- podnostojeći H

The ultimate expression of what SVS sought to create with the Prime Series loudspeakers is epitomised in Prime Pinnacle. Audiophile refinement and musicality without sacrificing wide dynamic range, deep, effortless bass and all the excitement of a world-class loudspeaker.

SVS acoustic engineers spent more time voicing Prime Pinnacle than any speaker in SVS history, in large part to create a loudspeaker that was equally

Creates an expansive soundstage with accurate frequency response and precise imaging for largest “sweet spot” possible. The 3-way crossover is uniquely tuned so each driver, from tweeter to midrange and midrange to woofers, blend seamlessly with each other while offering excellent on and off-axis frequency response and pinpoint spatial imaging for the most convincing audio experience possible. The crossover’s topology and architecture are consistent with all SVS speakers so Prime Pinnacle is timbre matched to integrate with any speaker from the acclaimed Prime or Ultra Series for the ultimate flexibility.

5.25" Midrange Driver

Delivers pinpoint accuracy and broad soundstage for more immersive audio experiences. The majority of audio content in music and movies is present in the midrange frequencies so it’s imperative to have a driver capable of producing slam and impact as well as subtle details with tonal accuracy. Prime Pinnacle’s midrange borrows design elements from the reference Ultra Series to deliver uncompromised audio performance at all drive levels.

Aluminium Dome Tweeter

Renders crystal clear highs with lifelike realism even at reference volume. Light, efficient and impervious to distortion, the tweeter’s airy’ presentation

effortlessly reveals every sonic detail with pristine clarity and unerring accuracy. The FEA-optimized diffuser ensures broad dispersion for a

wide and convincing soundstage with pinpoint on- and off-axis frequency response so everyone in your room is treated with the same amazing audio experience.
