MARSHALL CODE25 - combo gitarsko pojačalo

Šifra: 12264
Kategorija prozivoda: Gitarska Pojačala
Proizvođač: Marshall

Cena: 199,00 EUR

The CODE comes stocked with 100 user-modifiable presets, so you can set up your own amp-cab configuration, then add compression, stompbox distortion, auto-wah, pitch shifter, phaser, flanger, tremolo, and chorus into your chain as you see fit. Tap-tempo delays and different types of reverbs are available as well. When you've crafted your dream tone, you can save the result as a preset.

Furthermore, utilizing the amplifier's Bluetooth capabilities, you can stream music from your smartphone, tablet, or device straight to the CODE via the Gateway app. You can also connect to your computer via USB and record straight to your DAW, thereby turning your amplifier into an interface. If you'd like to wire an iPhone or other device directly into the amp, you can do so through its 1/8" inch stereo input. Also, you can monitor privately through its 1/8" headphone jack If you don't want to disturb your neighbors.

Modeling and Effects from Marshall and Softube
