SVS Prime Wireless PRO Speaker Black Gloss (par) - bežični HiFi zvučnik

Šifra: 17350
Kategorija prozivoda: Hi Fi Zvučnici
Proizvođač: SVS

Cena: 999,00 EUR

The Wireless Pro Speakers are also harnessed with Bluetooth so you can stream music in stunning aptX/AAC codecs. For a superior viewing experience, simply connect SVS Prime Wireless Pro Speakers to your TV thanks to the HDMI input with ARC/eARC. You can even directly connect to all your HiFi separates with Line Level (RCA), Optical, 3.5mm AUX, and Ethernet inputs. Take the sound up a gear by connecting to your subwoofer so you feel the thundering bass.

Solid Audio
The Wireless Pro Speakers are equipped with dual Class-D amplifiers to produce up to 200W of RMS power. Immerse yourself in an exceptional sound thanks to a 133mm mid-bass driver, with the 25mm tweeter providing enveloping high frequencies. You can also enjoy hi-res audio streaming and seamless digital crossover thanks to the 192kHz/24-bit DAC.

Wireless Streaming
Fancy listening to music on Spotify in breathtaking audio? The Wireless Pro Speakers have you covered. With WiFi connectivity, Airplay 2, Chromecast and Spotify Connect you can stream all your favourite music and podcasts in exhilarating sound quality. Relish multiroom listening with DTS Play-Fi that will transform your listening experience.

Bluetooth
The Wireless Pro Speakers enable optimal streaming in aptX/AAC codecs through Bluetooth, so you can listen to all the best music straight from your smartphone or laptop. Supported devices can even grant access to Alexa, Siri, and Hey Google voice control, so you can manage the sound of speakers without having to leave your couch.

Precise Two Channel Audio
The left and right-powered speaker setup allows the Wireless Pro Speakers to create a huge soundstage that fills the room and elevates your music. Instantly access all your best playlists, podcasts, and streaming stations thanks to the six custom preset buttons that let you jump back into your audio entertainment with just one touch of a button.

Limitless Connectivity
The Wireless Pro Speakers can revamp the sound performance of your HiFi separates thanks to the Optical, Line Level (RCA), 3.5mm AUX, and Ethernet Inputs. The HDMI input lets you connect the speakers to your TV to create a spellbinding, home cinematic viewing experience. You can boost the sound even further if you connect the SVS Wireless Pro Speakers to your subwoofer.

Refined Cabinet Design
The compact design ensures that the SVS Wireless Pro Speakers can fit into most HiFi cabinets with ease.

The Tapered edges on the speaker's front baffle, reduce edge diffraction to further enhance the soundstage. Robust internal bracing and detailed cabinet geometry provide an accurate sound response. The IR remote control lets you have complete control over the volume, play/pause, presets, and more.
