Austrian Audio OC707 - kondenzatorski vokalni mikrofon

Šifra: 17820
Kategorija prozivoda: Kondenzatorski mala membrana
Proizvođač: Austrian Audio

Cena: 342,00 EUR

The handheld OC707 True Condenser Vocal Microphone brings professional sound quality to both studio and stage. Capturing every nuance of your performance, the audience will delightfully experience the pristine sound of your voice.

Designed to capture the dynamics and subtleties of the human voice, the OC707 blocks out unwanted noise from the outset, while giving your voice a great depth of volume. The OC707 lets the vocal cut through the mix, clear, detailed and natural.

Austrian Audio’s proprietary Open Acoustics Technology allows sound to enter the capsule almost entirely unimpeded from all sides. Contact points between the mounted capsule and the enclosure are reduced to a minimum. Furthermore, the reduction of sound-reflecting surfaces in proximity to the capsule ensures that the signal source is reproduced as resonance-free as possible; advanced materials technology and sophisticated mechanics reduce unwanted vibrations. Care was also taken to achieve maximum suppression of feedback.

Austrian Audio has succeeded in creating a vocal handheld microphone that has all the important characteristics of a studio microphone yet can withstand the rigours of everyday stage use.

Made in Austria.

Directional characteristic: Cardioid

Frequency range: 35 Hz – 20 kHz

Sensitivity: 10 mV/Pa

Equivalent noise level: 19 dB SPL (A)

Max SPL: 150 dB SPL

Low cut filter: 120 Hz (2nd order)

Impedance: 275 Ω (symmetrical)

Load impedance: > 1 kΩ

Supply voltage: 48 V (< 2.2 mA)

Main Connector: XLR 3 pin

Dimensions: 194 x 53 x 53 mm

Weight: 340g

Cene su informativnog karaktera. Prodavac ne odgovara za tačnost cena iskazanih na sajtu, zadržava pravo izmena cena. Ponudu za ostale artikle, informacije o stanju lagera i aktuelnim cenama možete dobiti na upit. Plaćanje se isključivo vrši virmanski - bezgotovinski.
