Šifra: 17333
Kategorija prozivoda: Aktivni zvučnici
Proizvođač: MACKIE

Cena: 469,00 EUR

Performers, buskers, presenters, and karaoke fanatics will be thrilled by the Mackie FreePlay LIVE, a portable PA with Bluetooth featuring powerful, immersive sound tuned by professional engineers, which result in a compact, yet powerful speaker system with clarity and high headroom. Using premium components, the design creates a natural, room-filling sound that results in an accurate reproduction of your music. Plug in mics, guitar, or other instruments and become part of the show.

The FreePlay LIVE utilizes a 150W amplifier to power two 1" high-frequency drivers and one 6" woofer, which combine to provide a full-range sound. The rugged ABS enclosure is dual-ported designed for enhance the bass. The rear panel offers two combo XLR-1/4" inputs and a 3.5mm auxiliary input, as well as wireless Bluetooth. Each channel offers a 3-band EQ, two room voicings, and a system limiter. Additionally, there is a 1/4" pre-master output for connecting to another mixer or speaker.

The FreePlay Connect app for iOS and Android offers additional features and functions including reverb. Link to a second FreePlay speaker for even bigger, clearer stereo sound or split them up for an immersive multi-room music listening experience. The Mackie FreePlay LIVE features an integrated microphone adapter, which allows the unit to attach to a standard microphone stand. The FreePlay LIVE ships with a power cord.

Benefits

Powerful Performer: 150W total power drives a high-output 6" woofer and dual tweeters for powerful, room-filling sound
Built-in rechargeable lithium-ion battery: up to 15 hours of continuous operation
Wireless Bluetooth streaming: connect your device to FreePlay LIVE and enjoy your favorite tunes like you’re at the show
Stage-worth design: FreePlay LIVE features a durable molded enclosure, coated metal grille, and robust internal construction
Precision-tuned ported enclosure: enhanced bass and headroom for bigger, richer sound that you can feel
FreePlay Connect companion app: download the free app and get complete control over levels, EQ, reverb, and more on iOS and Android devices
Double the fun: link to a second FreePlay speaker for even bigger, clearer stereo sound or split them up for an immersive multi-room music listening experience
Integrated adapter: allows for mounting on a standard microphone stand

Perform, Present, Play

Dual XLR-1/4" combo inputs for connecting guitars, microphones, keyboards, and more
