Extended Key Range with Expressive Touch: 61 full-size synth-action keys deliver responsive and fluid performance for both two-handed play and melodic expression.• **DAW and Plugin Control with Instant Access:**Integrated faders, encoders and LED buttons offer hands-on control of mixer channels, plugins, transport, and automation.• **Advanced Performance Tools:**Explore harmonies and complex melodies using Scale, Chord, and Hold features, ideal for songwriters and producers alike.

Studio-Ready Control Centre:
Ideal for musicians and producers who want tactile control across all aspects of music production, the LX61 mk3 gives you the ability to mix, automate and perform with physical hardware instead of relying on a mouse. The expanded key range supports layered compositions and real-time performance with ease.

Integration that Elevates Creativity:
Nektar’s DAW integration goes beyond mapping, giving you contextual control with LED feedback, parameter click-to-control, and deep instrument support. Whether you're using Logic, Cubase, Studio One or FL Studio, the LX61 mk3 becomes a natural extension of your DAW.

Flexible Mapping and User Modes:
With 8 pad maps, 5 user presets and setup programming directly from the controller, the LX61 adapts easily to your projects. USB-C connectivity and bundled software make this controller ready to plug in and create, no extra gear needed.
