SHURE MV7X - podcast XLR mikrofon

Šifra: 0010
Kategorija prozivoda: Studijski Mikrofoni
Proizvođač: Shure

Cena: 166,00 EUR

Overview
The Shure MV7X is a professional-quality XLR dynamic microphone, ideal for close mic applications that require vocal
intelligibility with a balanced tone. Voice Isolation Technology ensures the microphone is laser-focused on your voice
and does not capture any unwanted background noise to give you perfect recordings in imperfect rooms. The attractive
and durable all-metal design features an adjustable yoke that can be mounted onto a variety of microphone stands for
flexible placement options.
Features
• XLR output allows digital or analog recording
• Highly directional dynamic element and Voice Isolation Technology
• Optimized frequency response for rich and natural vocal reproduction
• Rugged, all-metal construction for outstanding reliability
• Adjustable integrated yoke for easy positioning on standard 5/8"-27 threaded stands or booms
Specifications (subject to change)
