RESPONSIVE DJ PERFORMANCE

TRAKTOR KONTROL X1 is the compact DJ performance controller with responsive controls over two TRAKTOR PRO 3 decks and FX units.

COMPACT TRAKTOR CONTROL

Whether DJing all-digital or with timecode control, the mighty TRAKTOR KONTROL X1 gives you total control of decks and effects in TRAKTOR PRO 3, with a unique combination of power and portability.

Browse tracks, nudge, seek, or control loops and effects with focused precision. Without ever reaching for the laptop.

BUILT FOR PROS

The X1 packs TRAKTOR PRO 3's decks and effects features into a portable, intuitive unit.

Browse, cue, sync, and loop while the touch-sensitive strip and knobs deliver smart software navigation. Plus color-coded buttons and displays give clear visual feedback – so you can stay focused even in the darkest clubs.

SIMPLE. POWERFUL. SMART.

DESIGNED FOR TRAKTOR PRO 3

Take your set to new heights with the flagship TRAKTOR PRO 3 software. Mix with up to four decks plus a stunning range of creative features for maximum mixing freedom.

Discover the award-winning DJ software trusted by pros. A \$50.00 e-voucher comes included with TRAKTOR KONTROL X1 – use it to purchase TRAKTOR PRO 3 or any other downloadable NI software and expand your sonic arsenal ([read e-voucher terms and conditions](#)).
