

RELOOP Beatmix 2 MK2

Šifra: 10587

Kategorija proizvoda: DJ kontroleri

Proizvođač: Reloop

Cena: **259,00** EUR

FEATURES

2-Deck Serato Performance Pad DJ Controller

Easy plug 'n' play: simply connect to your computer and start mixing your tracks

Performance pad section: 16x multi-colour drum pads for triggering loop-, sample- and hot cue-mode

Colour-coded trigger pads give you visual feedback about mode and function

Split mode: Cue and sampler mode can be combined

Ergonomic and intuitive mixer/player design for optimal work flow

Dedicated 3-band EQ control and gain control per channel

SP-6 sample bank control with dedicated sampler volume fader

Fader-start feature: Easy Cue control with the channel fader

Quick-skip: Fast search within a track

Slim-profile, big jog wheels with premium aluminium platters and superior scratching integration

Control many, stunning DJ effects (FX engine by iZotope) with 2 FX units

Integrated USB audio club interface

14-bit pitch fader with pitch bend control buttons

Large transport section with stutter and sync controls

Mouse-less playlist navigation

2x headphones connections on the front panel: 3.5 mm & 6.3 mm stereo jack

6.3 mm jack mic input with volume control on the front panel

Shift buttons for second layer control
ASIO drivers (CORE compliant) with minimal latency
and highest audio characteristics (PC/Mac)
Seamless hardware integration for Serato DJ Lite
MIDI-ready: Compatible with most popular DJ software
USB bus powered: No power supply required!
